

Rhapsody

Elite

A little piece of hot tub heaven for your own home or garden! The Rhapsody Elite, one of our most popular family models, it can seat five to six people comfortably, offering a unique moulded child seat that will suit young ones and toddlers, allowing the adults to relax knowing the children are safe and comfortable.

The Rhapsody will not fall short of your expectations, offering high levels of massage and hydrotherapy. We at Heritage Spas feel these are the first steps to total stress relief and relaxation.
