Not just a spa but a way of life

# Rio Elite

The Rio utilises 'his & her' loungers which double up as child bench seating. A further 3 variable seating positions means comfort for therapy seekers of all sizes.

The ergonomically designed stainless steel jet system delivers vigorous, delightfully soothing hot tub hydro-massage. The Rio Elites jet system is fitted with multi-directional, fully adjustable, flow control designed jets for maximum therapy performance.

All Heritage Spa cabinets are constructed from solid high grade Canadian Western Red Cedar for its weather resistant qualities.
